**Toano, Va.-** C&F Financial Corporation is pleased to announce the opening of its newest C&F Financial Center at 5500 Audubon Drive in Henrico near Richmond International Airport. The contemporary 25,000 square foot facility will serve as corporate headquarters for C&F Finance Company, a subsidiary of C&F Bank, previously located at 1313 East Main Street in Richmond. C&F Finance Company offers loans through local approved dealerships in Virginia and twenty-one other states for new and used automobiles as well marine and recreational vehicles.

“We are excited to move to this new “campus-style” facility to continue to build on our excellent employee satisfaction which will strengthen our ability to make new loans and continue providing exceptional service to our customers” stated Dusty Crone, President and Chief Executive Officer of C&F Finance Company. Partners for the project include PSH+ Architects and Emerald Construction as the general contractor.

PSH+ teamed with C&F to design a space beyond the typical desk and breakroom. In addition to office space the program includes a partitionable conference room, training classrooms, fitness gym with showers, a market and a staff health clinic - all designed to emphasize natural light and promote a holistic approach to health within the workspace. An outdoor patio with an integral shade structure provides an additional amenity for events while highlighting views of the surrounding wetlands.
